

U.S. ARMY CORPS OF ENGINEERS

§106 Project Review Form

Vermont Division for Historic Preservation

Section 106 of the National Historic Preservation Act of 1966 (NHPA) requires federal agencies take into account the effects of federal actions on any historic property, including historic buildings and archaeological sites. The U.S. Army Corps of Engineers (USACE) Regulatory Program's implementing procedures for protection of historic properties can be found at 33 CFR 325, Appendix C. To start the review process, please complete this form and submit it, with the information requested below, to the Division for Historic Preservation at

ACCD.projectreview@vermont.gov.
